

STATEMENT OF SUBSTANCE OF INTERVIEW

Applicant wishes to thank the examiner for conducting a telephone interview with applicant's attorney, Christopher W. Lattin, on November 28, 2007.

During the interview, applicant's attorney and the examiner discussed the claims, the applied references of Hsu et al. and Sezan et al., and the rejections under §§ 102, and 103. Agreement was not reached regarding the rejections of claims 32 and 40. However, the Examiner reiterated that claim 41 would be allowable if amended into independent form to include the features recited in the base claim and any intervening claims. Thus, in the interests of furthering prosecution, Applicant herein amends claim 32 to include the features of claims 40 and 41. Accordingly, all pending claims are believed to be allowable.
